

Consider the following sentence:

- (1) This is a sentence
- (2) a. *Sentence a
- b. #Sentence b
- c. Sentence c

Shiny glosses! I can refer to example (1) like this.

Example (3) is a nice sentence in Turkish.

- (3) Öğretmen-ler öğrenci-ler-e iki kitap ok-ut-tu.
teacher-PL.NOM student-PL-ACC two book read-CAUS-PST
'The teacher made the students read two books.'
